

ZeBuds Pro

TRUE WIRELESS STEREO EARPHONES
WITH Qi CHARGING CASE,
IN SOPHISTICATED GLASS FINISHING

ABOUT

Meet **ZeBuds Pro**, our first TWS earbuds with a Qi wireless charging case in sleek glass finishing. Offering an ergonomic design, an impressive sound quality thanks to its highly robust Bluetooth 5.0 connection, extended battery life of up to 20h, intuitive touch controls to take calls, control music or make voice commands, the ZeBuds Pro TWS earphones have been designed to experience wireless freedom, with no compromise on style. Compatible with iOS and Android devices, ZeBuds Pro work with the MyKronoz app to allow users to control their earbuds settings, including an equalizer function, and perform updates via OTA (over the air).
