ABOUT

ZeRound³ is a sleek smartwatch with built-in microphone and speaker that allows you to make calls and voice commands, directly from your wrist. Once seamlessly connected to a smartphone, ZeRound³ displays the information that matters to you on its high-resolution AMOLED touchscreen: SMS, WhatsApp, social media notifications, calendar events and reminders. Equipped with an optical HR sensor and 3-axis accelerometer, ZeRound³ tracks your daily activity so you keep an eye at your performance level at anytime. ZeRound³ can also be used as a remote control to play music or take pictures, without having to take out your phone. Featuring a 22mm standard interchangeable band, you can easily swap the strap of your ZeRound³ to fit any look and select a matching watch face. Compatible with select iOS 9+ and Android 6.0+ devices, ZeRound³ works with MyKronoz mobile app.

ZeRound³

KEY FEATURES

FULL ROUND AMOLED DISPLAY

Get everything you need at your wrist, displayed on a high resolution full round AMOLED color touchscreen offering full brightness and superior readability outdoor.

OPTICAL HR MONITOR

ZeRound³ tracks your heart-rate all day long so you can check your personal data in real time from the device or the MyKronoz app. If your HR level is too high or too low, ZeRound³ will instantly alert you.

POWERED FOR DAYS

Offering up to five days battery life on a single charge, ZeRound³ has been developed to keep you connected and up-to-date at all times.

SUPERIOR DESIGN

Made with a metal frame watch body and a highly comfortable interchangeable band, ZeRound³ also comes with a wide range of stylish watch faces to fit any occasion.

WIRELESS SYNCING

Sync data wirelessly via Bluetooth®
